

COLLABORATION/ARTICULATION AGREEMENT

Between

**VALLEY CITY STATE UNIVERSITY
Division of Business and Information Technology
Career and Technical Education Program
Bachelor of Science Degree**

And

**LAKE REGION STATE COLLEGE
Associate in Applied Science Degree**

VALLEY CITY

STATE UNIVERSITY

Lake Region
STATE COLLEGE

This agreement has been entered into by Valley City State University (VCSU) and Lake Region State College (LRSC). The purpose of this agreement is to facilitate credit transfer and provide a smooth transition from one related degree program to another. The attached document describes the required program of study at VCSU for students to earn a Bachelor of Science degree in Career and Technical Education in the Management/Leadership Option or the Teaching Option. Also attached is the required program of study at LRSC for students to earn the Associate in Applied Science degree.

Because each student has unique career goals, these programs are designed with built-in flexibility allowing students to choose courses to suit their personal needs. Students will first be awarded an Associate in Applied Science degree, then a Bachelor of Science degree in Career and Technical Education with an option in Management/Leadership or Teaching.

For students currently employed or unable to relocate to take on-campus courses, many of the classes are offered online or at alternative sites.

Steps:

1. Complete a Lake Region State College Associate in Applied Science degree.
2. Apply to Valley City State University Career and Technical Education – Management/Leadership Option or Teaching Option.
3. Transfer credits earned from the Lake Region State College AAS degree to apply toward the Bachelor of Science degree.
4. Graduates under this program would earn a Bachelor of Science degree in Career and Technical Education with an option in Management/Leadership or Teaching.

Note: The Teaching Option qualifies graduates to teach at the post-secondary (college) level. To teach at the secondary (high school) level the graduate would have to earn a Bachelor of Science in Education degree in Career and Technical Education. This agreement does not include the Bachelor of Science in Education Degree.

Lake Region State College

Associate in Applied Science (AAS) Degree

The Associate in Applied Science degree combines career and technical course work with academic course work. In the career and technical specialty field, the degree prepares students for employment. The academic area provides a broader education than would be available in a certificate or diploma program but less than in the Associate in Arts and Associate in Science Degree.

Course Code	Course Title	Credits
<i>General Education Courses</i>		
ENGL 110	College Composition I	3
English/Communication Elective		3
Humanities and/or Social Sciences		6
Math, Science, or Computer Science		6*
Health, Physical Education and Recreation		2
Total		20
<i>Technical Specialty Courses and Electives</i>		<u>40**</u>
Total Required Credits		60***

*- MATH courses must be a GERTA approved MATH course. Lake Region offers MATH 103, MATH 105, MATH 107, MATH 165 or MATH 166.

** - Designates the minimum number of technical specialty or electives to earn an Associate in Applied Science Degree at Lake Region State College is 40 credits some programs may require more than 40 credits in a technical specialty.

*** - Designates the minimum number of credits at Lake Region State College to complete an Associate in Applied Science Degree is 60, some programs may require more than 60 credits to complete an AAS degree.

Valley City State University

BS Career and Technical Education – Management/Leadership Option

The Career and Technical Education – Management/Leadership Option takes a liberal arts emphasis and combines it with a career and technical specialty to train professionals to own, manage or become a leader in their respective technical enterprises.

COMM 314	Public Relations	3
COMM 360	Group Dynamics	<u>3</u>

Electives:(8 – 22 credits)

Notes:

- A minimum of 120 total credits are required for a Bachelor’s degree and must be taken from the appropriate categories.
- Credit hours earned at LRSC as electives could be used to fulfill some of the requirements of the Management/Leadership Option.
- Credit hours earned at LRSC that do not meet general education requirements, technical specialty requirements or management/leadership option requirements will be used for electives courses.
- Career-Technical Education majors must complete 12 semester hours from Valley City State University.
- Bachelor degrees must complete a minimum of 30 upper division semester hours at the 300 and 400 course level. Career and Technical Education majors complete an area of technical specialty in lieu of this requirement.

- Students that enter the program with an Associate of Arts (AA) degree or An Associate of Science (AS) degree will have their general education requirements completed unless a general education course is specific for the BS degree.

**Teaching Option Requirements
(Credits Remaining – 13)**

Technical Specialty (0 credits)

Teaching Courses

Required Courses:(13 credits)

BVED 431	History, Philosophy & Practices of CTE	3
BVED 432	Coordinating Cooperative Ed. Learning	2
BVED 434	Leadership in CTE Student Organizations	2
BVED 437	Student Performance Evaluation in CTE	2
BVED 438	Developing and Managing Competency Based Instructional Materials	2
BVED 490	Methods for Teaching CTE Subjects	2

Electives:(19 – 33 credits)

Notes:

- A minimum of 120 total credits are required for a Bachelor’s degree and must be taken from the appropriate categories.
- Credit hours earned at LRSC that do not meet general education requirements, technical specialty requirements or teaching option requirements will be used for electives courses.
- The Teaching Option qualifies graduates to teach at the post-secondary (college) level. To teach at the secondary (high school) level the graduate would have to earn a Bachelor of Science in Education degree in Career and Technical Education. This agreement does not include the Bachelor of Science in Education Degree.
- Career-Technical Education majors must complete 12 semester hours from Valley City State University.
- Bachelor degrees must complete a minimum of 30 upper division semester hours at the 300 and 400 course level. Career and Technical Education majors complete an area of technical specialty in lieu of this requirement.
- Students that enter the program with an Associate of Arts (AA) degree or An Associate of Science (AS) degree will have their general education requirements completed unless a general education course is specific for the BS degree.

Articulation Agreement

- Valley City State University will accept General Education Credits earned at Lake Region State College as described in the North Dakota University System (NDUS) General Education Requirement Transfer Agreement (GERTA).
- Valley City State University will accept the following courses for fulfillment of the Management/Leadership Option.

VCSU Course

ACCT 200 Elements of Accounting I
ACCT 201 Elements of Accounting II
ACCT 315 Business in the Legal Environment
MGMT 330 Principles of Management
MGMT 381 Project Management
MGMT 425 Human Resource Management
MRKT 305 Principles of Marketing
MRKT 370 Advertising and Promotions

LRSC Course

ACCT 200 Elements of Accounting I
ACCT 201 Elements of Accounting II
ACCT 215 Business in the Legal Environment
BADM 202 Principles of Management
BADM 274 Project Management
BADM 280 Personnel Management
BADM 201 Principles of Marketing
BADM 211 Advertising II

- Students must complete a minimum of 12 hours of residency credit from Valley City State University to complete graduation requirements from VCSU.
- Bachelor degrees must complete a minimum of 30 upper division semester hours at the 300 and 400 course level. Career and Technical Education majors complete an area of technical specialty in lieu of this requirement.
- Students that enter the program with an Associate of Arts (AA) degree or An Associate of Science (AS) degree will have their general education requirements completed unless a general education course is specific for the BS degree.
- As part of VCSU graduation requirements, students must develop a digital portfolio that illustrates the best evidence of meeting the abilities and skills requirements for their degree. VCSU recommends students enroll in BUSI 491 Senior Portfolio for 1 semester credit to assist them in developing their digital portfolio.

The abilities for the B.S. degree in Career and Technical Education are:

Communication
Technology Literacy

Collaboration
Problem Solving

Global Awareness
