Junior Naturalist Club – Create Bird Feeders

(Valley City, ND) Monday night marked another fun and educational experience for area youngsters during the Junior Naturalist Club meeting presented by six VCSU Fisheries & Wildlife students. The evening started with a multimedia presentation, including photos and sounds of local birds that the attendants will be observing at the bird feeders they made this evening. The bird feeders we made using pine cones, peanut butter, bird seed and string.

The next Junior Naturalist Club event will be Monday, March 26th at 6PM at the US Fish Hatchery in Valley City, the project will be Bird House Building.

The VCSU Fisheries and Wildlife students, were Jeff Berens, Brandon Meyer, Cody Wegner, Joe Orr, Matt Klein and Brian Chepulis. For more information regarding the VCSU Fisheries & Wildlife visit: http://www.vcsu.edu/catalogsearch/program/?p=56
