 - i. Wesley is the chair of the beautification committee on campus and they are looking at making a sign for VCSU. I know Pete had also mentioned that he wanted to help with that project, and I think it would be something good for senate to invest in. Something to just see if the others are interested in. Sorry for the late notice on this, Wesley just mentioned this to me Friday! He is also willing to come in and talk about it. Students will be making the designs for this sign too, so we save money that way. But if we wanted to use the slab from the old Vangstad it would cost more money because of the weight of that.
 - ii. How much more would it cost? And see the difference in the prices?
 - d. Secretary
 - i. If you want to see your hours, find me or email me
 - e. NDSA Rep

 - 1. Look at those goals and see how you fit into that.

- 2. Go to vcsu.edu/president
 - ii. The institution is going through an enrollment plan, and they have that final report. We know that we can probably get to 1650 students. That is 200 additional students then where we are now. You will begin to see changes to the admissions, scholarship, and departments. It is a scientifically designed number.
 - iii. How can we create a structure that ensures 4-year guarantee that would allow someone to create a plan to create a degree?
 - 1. What is being recommended to us, and we are exploring: We are going to get rid of scholarships for the very lowest level, and put them more a little higher.
 - 2. If you are a 25 ACT score, and a 3.0 GPA in high school for a \$3000 scholarship for all for years
