Important Information

APPLICATION PROCEDURES

Undergraduate Admission

- If you have not previously attended VCSU, you will need to fill out an Application for Admission and pay the \$35.00 application fee. You can apply and pay your application fee online at www.vcsu.edu/enrollmentservices/. If you have any questions, please contact Enrollment Services at 701-845-7101 or enrollment.services@vcsu.edu.
- If you are a returning student and have been out for more than one semester, you will need to fill out a Returning Student Form. You do not pay the application fee again. This form can be found at www.vcsu.edu/registrar/. If you have any questions, please contact the Registrar's Office at 701-845-7295 or registrar@vcsu.edu.

Graduate Admission

- For information about graduate admission, go to www.vcsu.edu/graduate/. The deadline for summer graduate applications is **May 07, 2019**. If you have any questions, please contact the Graduate Studies Office at 701-845-7303 or graduate@vcsu.edu.

REGISTRATION INFORMATION

Summer registration begins on **March 18, 2019**. Please complete all course registrations one week before the course begins.

Summer sessions compress the regular semester, by meeting 3, 4, or 8 weeks instead of 16 weeks. However, the expectation for academic rigor, course content and study remain the same. Therefore, a 3 credit course offered during an 8 week session will take the same amount of time as 6 credits would in a regular academic term, and a 3 credit course offered during a 4 week session is equivalent to 12 credits (or full time) during a regular academic term.

Prior to registering each term, you must complete a Financial Obligation Agreement (FOA). The FOA is a commitment to pay all charges in full for the selected term. To complete the FOA, you will log into Campus Connection and go to Student Center>Finances>Financial Obligation Agreement. Please contact the Business Office at 701-845-7232 or business.office@vcsu.edu with any questions.

Undergraduate Registration - *Courses with a Catalog Number 100-499 are undergraduate level.*

- Course loads for the summer session are as follows: full-time - 6 credits; three-quarter time - 5 credits; and half-time - 3 credits. During the summer session, the maximum load is 9 concurrent credits for a student in good academic standing. An approved overload petition must be presented with any request to enroll for more than 9 concurrent credits.
- No more than 14 credits will be allowed during the summer. In addition, students should recognize the intense demands of the compressed summer term, and limit themselves to no more than two courses in any session (for example, no more than two courses during the first four weeks, or no more than two, non-overlapping courses during the first three-week session).
- For purposes of federal financial aid, undergraduates are considered half-time at 6 credits, three-quarter time at 9 credits and full-time at 12 credits.
- Registration may be completed online in Campus Connection before the last day to add for each session.
- Contact the Office of the Registrar at 701-845-7295 or registrar@vcsu.edu if you have any questions.
