COMMENCEMENT SPEAKERS

DR. ALLEN BURGAD '89

Allen Burgad has served as interim president of Valley City State University since December 2025, following his appointment by the North Dakota State Board of Higher Education. A 1989 graduate of VCSU, Burgad returned to the campus in 2021 to serve as Dean for the School of Education. During his time on campus, VCSU's education programs have been recognized with national awards and maintained widespread recognition as the top teacher education programs in the state. Burgad earned his Bachelor of Science in Education from VCSU and a Master of Education in school administration from the University of Mary in 1993. In 2008, he completed a Doctor of Education in educational leadership from the University of North Dakota. He previously served as an administrator in multiple schools including West Fargo, Stanley, Northern Cass, Napoleon, and Powder River County District in Montana.

MICHELLE KOMMER

Michelle Kommer was appointed to the State Board of Higher Education in 2026. She serves on subcommittees for Academic and Student Affairs, Budget & Finance, and Challenge Grant Review. Kommer has owned and operated HighRoad Partners, a firm providing outsourced human resources, payroll, employee benefits, Medicare advisory and consulting services, since 2020. She previously served in leadership roles in state government, including as commerce commissioner, labor commissioner and executive director of Job Service North Dakota. Kommer earned a bachelor's degree in business administration from Mayville State University, a master's degree in management from the University of Mary and a law degree from the University of North Dakota School of Law. She is licensed to practice law in North Dakota and Minnesota.

TARA DAHL

Tara Dahl is graduating today with a Bachelor of Science in Education, majoring in music education K-12. Dahl completed her degree requirements in December 2025 and immediately began working as a full-time music teacher for Glendive Public Schools in Montana. Dahl grew up on a ranch near Hazelton, N.D., and has always had a deep love of playing music, singing and performing. She has been involved in band, choir, jazz band, pep band and various student leadership roles on campus. She was a section leader in both band and choir and served as the drum major for pep band during her final season. Tara credits VCSU for helping to shape her as a teacher and musician by giving her the opportunity for real experiences such as practicum hours, outreach to area schools, running sectionals, and student teaching.

LINDSEY KIECKER

Lindsey Kiecker is an associate professor of science, joining the VCSU faculty ranks in 2023. She teaches chemistry courses, including Introductory, General, Inorganic, Physical, and Quantitative Chemical Analysis. She also supervises science education students and teaches the Secondary Science Methods and Techniques course. A native of Jamestown, N.D., Kiecker earned a Bachelor of Science in Education from VCSU in 2023, majoring in chemistry education. She completed a Master of Science in Chemistry from South Dakota State University in 2025. Kiecker recently received the VCSU Junior Faculty Excellence Award, voted on by faculty, and the Student Senate Teacher of the Year award, selected by students. Students describe her as an amazing and dedicated professor who goes above and beyond. Kiecker enjoys learning about and showing students colorful chemistry. Outside of class you can find her practicing chemical demonstrations, working with student researchers designing science lab activities, or providing a listening ear to students.

THE ACADEMIC COSTUME

The academic costume originated in the university of the Middle Ages, when a warm gown and hood were useful to the scholar and cleric in unheated buildings.

The mortarboard cap, which replaced the skullcap, is the representative headdress of the members of the academic community. The tassel of the cap is black or the color appropriate to the subject, except that the doctor's cap may have a tassel of gold bullion.

The hood gives color and meaning to the costume. The colored lining of the inside of the hood is the official color or colors of the institution conferring the degree. The color of the velvet trimming of the hood is distinctive of the subject to which the degree pertains. The colors of some of the subjects are:

Arts, Letters, Humanities—white
Education—light blue
Fine Arts—brown
Law—purple
Library Science—lemon
Music—pink

Nursing—apricot
Philosophy—dark blue
Physical Education—sage green
Science—golden yellow
Theology—scarlet

The bachelor wears no hood, only the black cap and gown. The gown has long pointed sleeves and is worn closed. The master wears a hood and a gown with sleeves that are open at either the elbow or the wrist and are oblong in shape. The gown may be worn open or closed. The doctor wears a hood and gown that are larger than the others. The gown is trimmed with black velvet panels from the hem to neck and back. The bell-shaped sleeves are trimmed with three horizontal bars of black velvet, indicating the third and highest degree. The trim may be the color of the subject area instead of black. The gown is worn open or closed.

THE PRESIDENTIAL MEDALLION

VCSU's presidential medallion was created in 1999 by P. Richard Szeitz, professor of art at Minnesota State University Moorhead, acting on commission by then VCSU president Dr. Ellen Chaffee. The laurel leaves dividing the center into three segments symbolize the three upper grades of learning — the baccalaureate, master, and doctoral levels of acquisition of knowledge. Each segment represents one area of VCSU's academic focus. The top segment symbolizes the liberal arts and sciences, with the sun shedding light on a book representing a store of knowledge. The pen represents the creation of

THE PRESIDENTIAL MACE

Originally a weapon used during medieval times, the mace has taken on a ceremonial character representing order and authority, and it has been used by governments, universities, and churches to signify an official event. The VCSU mace, present at all formal academic events, symbolizes the authority of the university. It is carried in these events by the president of the Faculty Senate, demonstrating the ideal of shared governance between the university president and the faculty. The VCSU mace was created in 2015 at the request of President Tisa Mason. Crafted by woodcarvers from Valley City, its black walnut body was harvested from a tree in City Park. The etching on the mace was provided by faculty from the VCSU Department of Technology.

Star Spangled Banner

John Stafford Smith

Oh say can you see, by the dawn's early
light, What so proud we hail'd in the old flag's first
beam of? Whose broad stripes and bright stars, thro' the
petal-lose light, On the main-stays we watch'd, were so
glad to see stream'ing? And the rock-ets red
glare, the bombs bursting in air, Gave proof thro' the
night that our flag was still there O say! does that
star-spang'd ban-ner — yet — wave? — O'er the
land — at the sea, and the home of the brave
