

# VCSU CLASS ATTENDANCE OPTIONS FOR FALL 2020

FROM THE OFFICE OF ACADEMIC AFFAIRS

We know some students are uncomfortable being on campus or in group settings. Some are at a higher risk of complications if they contract COVID, some are living with or caring for people who are at high risk, and some have other reasons for wanting to reduce their exposure.

**Our Goals:** Keep the campus healthy. Provide a high quality, accessible education. And, as much as is reasonably possible, provide a personal, face-to-face experience where students can flourish.

**We want all of our students to have the opportunity to continue their studies.**

VCSU students have the following options for class attendance in Fall 2020:

## In Person - Face to face

- Classrooms will have reduced capacities
- Masks will be worn by students and faculty
- New cameras and microphones have been installed

## Online - Synchronous

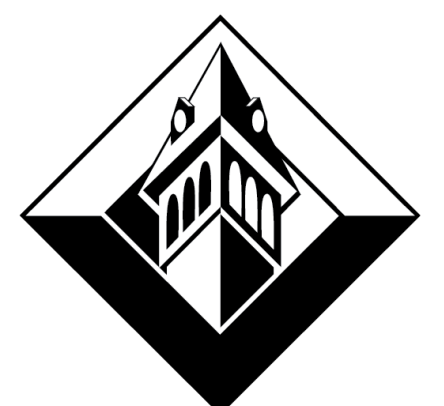

- Log in from anywhere at assigned class time
  - Instructions will be provided - Watch your emails
- Actively participate in real time with face to face students and other synchronous students
- Some courses may require face to face skill assessment
  - Work with your professor to determine the details

Attending synchronously is not the same as taking "online classes"

- Synchronous = Assigned day, time, and room location
- Online = Assigned with a location or room of online; asynchronous

## Hybrid

- Your choice daily whether to attend face to face or synchronously online
  - Have a sore throat? Attend your class synchronously online
  - Back to 100%? Come to class on campus
