

**VALLEY CITY**  
STATE UNIVERSITY

**2022-2023**

# FIRST DESTINATION REPORT

*Graduates from Summer 2022, Fall 2022, and Spring 2023*

## EDUCATION GRADUATES IN 2022 AND 2023

**98% of reporting graduates** are employed or continuing their education.

**62% of graduates** are employed in N.D. The remaining are working across 19 different states.

**Graduates are serving in 36** different school districts across the state of N.D.

**100%**

of graduates that earned their Master's degree reported being employed.

**74%**

of them in N.D.

“Our graduates’ success in their desired career fields shows the continued value of a VCSU degree. The experiences students have at VCSU help prepare them for a fulfilling and productive life.”

**President Alan LaFave**

## NON-EDUCATION GRADUATES IN 2022 AND 2023

**98% of reporting graduates** are employed or continuing their education.

**70% of graduates** reported employment in N.D.

**52% of graduates** continuing their education are enrolled in a N.D. school.

**81% of all internships** by VCSU students were completed in N.D.

Interns participated in a wide variety of work places including the Ward County Public Library, to Digi-Key Electronics, to the North Dakota State Historical Society.

“My internship experience with the Business Department helped me gain valuable experience and professional insight while working alongside the business professors.”

**Taylor Sargent, VCSU Business Department Intern/Business Administration Graduate**
